Lyrics (verses, line by line under the staves):

This wor-ld has lost all of the lust-ter it had be-fore I_____ was saved.
I'm go-ing to my sav-ior the Lord Jes-us Christ up in hea-ven a-bove.
Do you know that your home is be-yond__ the sky when your time comes to die?

And one day I will leave here to live in that place for which now__ I crave.
In glo-ry I will praise him for his match-less grace and his glo-ri-ous love.
Are you sure, when the Lord calls His church from on high, will you take to the sky?

I'll fly a-way   I'll fly a-way   I'll fly a-way!
