I Will Overcome

Words & music by
Dennis P. German

B^b Cm B^b E^b B^b F

Day af- ter day tri- bu- lations come and go with each one I am strengthened from on high.
I will re- joice in the Lord, my God a-bove, in each day, as the tri- als come my way.
I'm looking up to the clouds where one day soon Jesus Christ will come for his precious bride.

B^b Cm B^b E^b B^b F

Life for me is to live for Christ my Lord, and to gain, if in service I might die.
I know that I can do all thing thru' the Lord, in his pow'r I will conquer day by day.
Though I am tired from the battle here below on that day in his rest I shall a- bide.

B^b E^b F B^b F B^b F

I will o- ver- come by the blood of the lamb and the pow'r of his word.

B^b E^b F B^b F B^b F B^b

Striving day by day, pressing on to the prize, for the call of the Lord.
