Clouds Without Rain

Proverbs 25:14

Words & music by:
Dennis P. German

In my sins did I wander without purpose or aim always wond'ring what life was about.
Now, since he dwells within me and my life's hid in him I have life more a-bun-dant and free
One day I'll stand before him to be judged for my works but if they were not done in his pow'r

Tho' I sought to find meaning 'twas all but in vain for I found I was clouds without rain.
but if I live my life leaning on my own strength I will find I am clouds without rain.
or if I drew some glory a-way from his name, then I'll find I was clouds without rain

I'm just clouds without rain without Je-sus my saviour, for my life

like a va-por will soon vanish a-way but with his ho-ly spirit

working inside of me I can do all his will in my life ev'-ry day
