If you've been searching, in your life, for some one or something to show you the way
If you have pain that won't go a-way and no bo-dy has a cure for you.
If you live your life full of fear and death hold a terrordown deep in your heart
If you've been walking thru' each day with nothing to live for and nowhere to go
If you lay your head down at night with no peace to soothe you in- to sleep

AM7 Em7

If you seek an end to sorrow and strife or the rea-son and the way to make
If your heart is cold and hard as a rock. You can be complete today, I'll tell
If you feel a war thru' out your soul, that is leading you astray and tear-
If you take each step not knowing the way, and the end of ev'- ry day you've got no-
If you toss and turn not knowing wrong from right and the emptiness you feel makes you stop
