I wand-ered in sin yet he took me in and cleansed my heart. All I had done
I walk in the flesh I don't do my best but he's still here I just don't know
I push Him a - way, pre-tend He's not here; like I'm a lone. He can not leave.

why he does-n't go for he's al-ways near But his pro-mise is sure his mer-cy en-dures
He's a part of me. be-yond flesh and bone 'cause He ent-ered in, to take all my sin

from his will I don't do what I should and I am no good yet he stays with me still
ev' - ry day though I know he's not pleased at the ve-ry least I know that he'll stay
make me new as He has in-creased, I have to de-crease but there's much more to do.
